## INTRODUCTION TO *Blissvila Properties*

*Blissvila Properties* is a real estate land owning and development company based in Asansol, engaged in the planning and execution of residential and commercial projects with a focus on quality construction, efficient design, and long-term value.

# Mr. Ananda Mohan Chakraborty

*Founder / Chairman*

*Mr. Ananda Mohan Chakraborty* is a distinguished real estate developer whose professional journey is defined by vision, resilience, and entrepreneurial excellence.

Born into a respected Bengali Brahmin family, he is the son of the eminent Sanskrit scholar, Pandit Magaram Chakraborty, and Smt. Maya Chakraborty – a pious and principled couple whose values of integrity, discipline, and perseverance have profoundly shaped his character and professional ethos.

Deeply inspired by the words of Dhirubhai Ambani – “If you do not build your dreams, someone may hire you to build theirs” – Mr. Chakraborty resolved early in life to pursue a path of independent enterprise and visionary leadership. To strengthen his foundation in governance and regulatory frameworks, he earned a Bachelor’s Degree in Law (L.L.B.), equipping himself with the legal acumen and strategic insight essential for navigating the complexities of the real estate sector.

With over three decades of comprehensive experience across diverse segments of the industry, Mr. Chakraborty has consistently demonstrated exemplary leadership, innovation, and sound business judgment.

He has been a close associate of the then Mc Dowell & Co. now known as Diageo and have successfully dealt with landed properties of the United Spirits Limited at Asansol (West Bengal). In the year 2007, he established eleven Private Limited Companies, including M/S BENGAL SHYAMJI INFRASTRUCTURE DEVELOPMENT PVT.LTD(M/S BSIDPL) thereby institutionalizing and expanding his development initiatives with a structured and scalable approach.

A significant milestone in his professional journey was the strategic collaboration between M/s Bengal Shyamji Infrastructure Development Pvt. Ltd. and Paharpur Cooling Towers Ltd., a nationally renowned engineering enterprise headquartered in Kolkata with industrial operations across India and overseas. This joint venture marked a transformative phase, enabling the execution of large-scale and technically sophisticated projects.

M/s Bengal Shyamji Infrastructure Development Pvt. Ltd. has also entered into a joint venture with ODEUM Properties LLP, a reputed real estate developer based in Asansol (West Bengal). The ongoing flagship project in the heart of the city comprises G+10 residential towers offering approximately 133 thoughtfully designed apartments, reflecting contemporary architecture and modern urban living standards.

Further strengthening its development portfolio, M/s Bengal Shyamji Infrastructure Development Pvt. Ltd. is developing "The Address", an upcoming premium residential-cum-commercial project in Asansol featuring G+18 storey structure distinguished by refined architectural planning and state-of-the-art amenities.

Expanding its regional footprint, M/s Bengal Shyamji Infrastructure Development Pvt. Ltd. has also undertaken a landmark township project near Durgapur Airport in joint venture with Blue Onyx Pvt. Ltd., a reputed West Bengal-based real estate developer. Envisioned as a comprehensive urban ecosystem, the project will feature approximately 2,000 residential units along with integrated lifestyle infrastructure including a star-category hotel, sports complex, club facilities, landscaped parks, and dedicated jogging tracks.

Through steadfast commitment, strategic foresight, and uncompromising standards of quality, Mr. Chakraborty continues to make a meaningful contribution to the real estate landscape – building not merely structures, but a lasting legacy founded on trust, excellence, and innovation.

An honoured visit to the residence of Respected former Chief Minister of Maharashtra Sri. Sarad Pawar

Mr. Ananda Mohan Chakraborty has helped many under-privileged people with gifts of basic necessities like food, clothes and education. His kindness finds expression in their lives and gratitude.

Pandit Magaram Chakraborty Prathamik Vidyalaya is a centre of primary learning for the local children at Hanumandanga, Ukhra. The school was set up by Mr. Ananda Mohan Chakraborty and formally recognised and administrated by the Education Ministry of the Government of West Bengal. Pandit Magaram Chakraborty's immense contribution to the cause of developing education in the region is a well-known fact. Lauding his perseverance and vision, Shri Keshari Nath Tripathi, Honourable Governor of West Bengal spoke highly of Pandit Mahashay's stature and personality. In his life and times, Pandit Mahashay lived a very simple life in the manner of Ishwar Chandra Vidyasagar and celebrated the ideals of Henry Derozio, both of whom were instrumental in charting a course to nurture the scholastic aptitude of students in Bengal. Stressing on the need for more such scholars to emerge from small initiatives like these, Shri Keshari Nath Tripathi conveyed his best wishes to the school and promised more support from the government in future days.

### Few words about Mr. Ananda Mohan Chakraborty.

The concept of highrise building in South Bengal has been transformed into reality by renown industrialist Mr. Ananda Mohan Chakraborty. The Genexx Exotica, an integrated township located in the heart of the Asansol City, is the proven upshot of his effort.

Kumarpur, the location where this exemplary integrated township situates, was the most under developed area of the Asansol city. The socio-economic condition of the vicinity was very hard-up in comparison to other parts of the city prior to launch of the project. The local residents of Kumarpur get benefited through direct employment in the project as well as through their involvement in supplying materials to the project.

The then Honourable Finance Minister Mr. Pranab Mukherjee had inaugurated the project on 26th December, 2010 and blessed the project in front of thousands of people in his speech.

Now the most underprivileged area of the city has turned into proud of the city. The economic condition of the vicinity has been uplifted, generation of employment recorded and revenue collection augmented.

We, at Federation of South Bengal Chambers of Commerce & Industry, acknowledge all efforts of Mr. Chakraborty and wish him all the best in his future endeavours.

ভাব্য প্রতিম আনন্দ চক্রবর্তী সম্বন্ধে কিছু লিখতে সত্যিই ভীষম ভালো লাগছে। আমাদের উখরা গ্রামের পণ্ডিত মাগারাম চক্রবর্তীর পুত্র। উখরা স্কুলের কৃতি ছাত্র, এ ছাড়াও আইনের স্নাতক। অত্যন্ত ভদ্র ও কিন্নরী। এই অঞ্চলের আপমর জনসাধারণের সঙ্গে খুবই ভালো সম্পর্ক।

আইন আদালত ছাড়াও বিভিন্ন সরকারী ও বেসরকারী সংস্থায় বহুবিধ জটিল পরিস্থিতিতে উভয় পক্ষের গ্রহন যোগ্য সমাধান সূত্রের করে তার প্রতিভাব সাক্ষর রেখেছেন। নব্বই এর দশকে (১৯৯১-৯২) উখরা ফার্মিং করপোরেশনের জমি সংক্রান্ত এক অত্যন্ত জটিল মামলা পরিচালনার দায়িত্ব উনি নিজের হাতে তুলে নিয়েছিলেন এবং মহামান্য কোদলকর্তা হাইকোর্টে দীর্ঘ অসীম ষৈর্ষ সহকারে আইনি যুদ্ধ পরিচালনা করেন। তার দক্ষতার ফল স্বরূপ হাইকোর্টের বায় কোম্পানির পক্ষেই যায়। এই বিশাল সফলতার ফল স্বরূপ, উখরা ও তৎসম্মিহিত অঞ্চলের শতাধিক বেকার যুবক জমির মিনিময়ে ইস্টার্ন কোলমিনেস্টে চাকুরি পায়।
